Please note that fees may be higher than those outlined here if mutually agreed upon. The indicative fees we charge are set out below:

Advice preparation and implementation fees

Prior to the provision of personal advice, we will agree upon a preferred payment option and disclose how our fee is calculated. Below is a summary of our available payment options that can be combined to pay for our services. We will provide you with a quote for our services before we undertake any work on your behalf.

These fee options include:

Time based charging

- i) The fee for the preparation and implementation of our advice is calculated based upon the time we spend developing the plan. Our hourly rate is between \$50 to \$500 per hour (incl. GST).

Price can vary depending on scope and complexity of the advice and we will provide you with an estimate of the overall cost. If extra charges apply, then we will inform you before proceeding with any work.

Service based charging

- ii) The fee for the preparation and implementation of our advice is calculated based upon a fixed price agreement. This fixed dollar amount will vary based upon the complexity of advice being provided and agreed upon prior to commencement. Our minimum fee for this is \$1,650 (incl. GST)

Asset-based charging

- iii) The fee for the preparation and implementation of our advice is calculated as a percentage of the dollar amount advised upon. Our minimum fee for this is \$4,400 (incl. GST), based on percentage of your total portfolio between 0.88% and 1.5% and the maximum fee is \$33,000 (incl. GST) calculated based upon fee schedule 1 below.

1.50%	\$1,000,000 plus	Up to a maximum of \$33,000

* Fees on tax effective products are capped at 4.4% with any excess refunded back to you.

Where we are aware that you are using borrowed funds to invest (including where we have recommended this), borrowed amounts will be excluded for the purpose of calculating fees in Schedule 1 - above.

If you decide not to implement our recommendations, the fee for the preparation of the Statement of Advice will be payable in full.

Ongoing & Fixed Term service fees

Our ongoing and fixed-term advice fees vary depending on scope and complexity and range from \$1,320 to \$20,000 (incl. GST) unless otherwise agreed.
